# BUSH AND BLAIR BEWARE

(hands off Israel)

*by Pastor Jack Glass*

**Having sought to settle the problem of Iraq, Bush and Blair have now set their sights on Israel with their American Roadmap for peace in the Middle East.**

**Bush said "The government of Israel, as the terror threat is removed and security improves, must take concrete steps to support the emergence of a viable and credible Palestinian State". Thus Bush seeks to appease the pro-Palestinians in Europe and the Arab world.**

**Will the Roadmap for peace include the dividing of Jerusalem and handing half of it to the Palestinians to become their Capital?**

Bush and Blair must learn that any attempt to remove land from Israel will lead to the judgment of God on America and Britain. The reason for this is that God has given Israel the land she already has and more. In the Bible in Leviticus 25:23 God calls Israel His land, and in Psalm 132:13-14 He calls Jerusalem His city. Furthermore, in Ezekiel 20:6 speaking of the land of Israel "a land that I had searched out for them which is the glory of all lands". Again in Zechariah 12:2-3 God says "Behold I will make Jerusalem a cup of reeling unto all the people round about....a burdensome stone for all the peoples; all that burden themselves with it shall be sore wounded, and all the nations of the earth shall be gathered against it". In Zechariah 12:9 God adds "it shall come to pass in that day, that I will seek to destroy all the nations that come against Jerusalem.

The above reference to "a cup of reeling" indicates that only nations whose normal faculties are impaired would be stupid enough to get involved in the division of Jerusalem or touch it in any way. The burdensome stone reference indicates a heavy stone crushing nations who interfere politically with God's Holy City.

Bush and Blair should learn from history. Spain's R.C. Inquisition tortured and expelled the Jews from Spain and Spain lost her Empire, becoming a lesser power. Britain after winning two world wars and maintaining her Empire, lost it after opposing the rebirth of the State of Israel as the mandatory power in Palestine in 1947-1948. Today, Britain is in an appalling spiritual state.

***God in Isaiah 60:12 says He will judge all nations who oppose the restoration and redemption of Israel. So be warned Bush and Blair, this is not Iraq you are dealing with. Israel is God's special land. Keep your hands off God's property. Bush don't push and Blair beware, and may the Jews turn to Christ for salvation.***
